

METALLIC MARBLE®

The *Decorative* Flooring Solution

HARD WEARING | HYGIENIC | GROUT FREE | HIGH GLOSS

Redefining the coatings industry

Metallic Marble is a decorative, high-gloss system designed for use in residential and commercial environments.

As an epoxy-based system, Metallic Marble is long-lasting, UV stable, colour stable and is the perfect surfacing choice for clients requiring a high-end finish to their home, showroom or commercial space.

Metallic Marble floors are unique. Create a floor to suit your interior, brand or existing showroom or business colour scheme. Manufactured by All Purpose Coatings in Australia, Metallic Marble floors are designed and tested for Australian conditions. Metallic Marble will prove a lasting, stylish and unique surface each and every time.
