PERSONALISE YOUR FLOOR

WHAT ARE HIGHLIGHTS?

Ultra Flake® Highlights are the ultimate way to add a pop of colour to your home, office or commercial space.

The exciting colours available in the Highlights range are ideal for adding to an existing Ultra Flake® System, allowing you to choose an exceptional floor coating system and add your own unique and personalised touch.

Popular in blends of 5%, 10% and 15%, Ultra Flake Highlights increase the control and customisation you have over your Ultra Flake System, helping you attain your dream floor.
